from the Savannah River Site

Permit modification requested for Hazardous Waste Storage Facility

The U.S. Department of Energy (DOE) - Savannah River Operations Office is submitting to the South Carolina Department of Health and Environmental Control (SCDHEC) a modification to Savannah River Site's (SRS) 2002 Resource Conservation and Recovery Act (RCRA), Part B Permit Renewal Application for Volume II, Hazardous Waste Storage Facility.

The Revision 1 is the response to the Notice of Deficiency to the Revision 0 of the March 2000 Permit Renewal Application Submittal. Also modified is the Location Standards Demonstration of Compliance.

This notice begins a 60-day comment period for Volume II. More information, including the actual permit application, is available for review and copying at the DOE Public Reading Room located in the University of South Carolina-Aiken library, or by contacting personnel listed below. The permittee's compliance history during the life cycle of the permit being modified is available from the Agency contact person.

A public meeting will be held Thursday, April 4, 2002 at 3:00 p.m. at the Aiken County Public Library. Representatives from SRS will be available to answer questions.
